LONG CHASE ENDS — John James Tobin Jr., 29, Youngstown, Ohio, left, city councilman, is shown above in handcuffs in Houston, Texas, immediately after he was arrested as the suspected "brains" in connection with a $250,000 insurance claims swindle. Pastor's Word To The Driver Gets Attention

HOLLYWOOD, Calif. (AP) — The door of opportunity is opened by pushing.

Take life as you find it, but don't leave it so.

Beaten paths are for beaten men.

So go the "Stop-Light Sermons" posted weekly by a band of the church billboard the Rev. Dave H. Conrad, pastor of Crescent Heights Methodist Church.

They flash their messages to motorists passing the busy corner of Fairfax and Fountain avenues. Newspaper columnists frequently quote them.

A Hollywood songwriter was so taken with "The train on the railroad to heaven carries no baggage cars" that he asked the clergyman for permission to write such a song.

The Rev. Mr. Conrad switched several years ago from straight announcements of sermon titles.

"I started thinking of a sermon out there for all the people who never would step in the door of a church," he said yesterday.

"They had to be short and say something—I just sort of went on from there."

Other pithy proverbs he has posted — some original, some culled from his reading, some from parishioners:

Is there any dust on your Bible?

Your day goes the way the corners of your mouth turn.

If your religion costs little it is worth little.

If you are too busy to pray you are too busy.

A man is known by the company he keeps out of.

A man wrapped up in himself makes a pretty small parcel.

A fool's tongue is always long enough to cut his throat.

Faith keeps the man who keeps the faith.

A Bible in the hand is worth two on the shelf.

A lot of kneeling keeps you in good standing with God.

The Christ we will not share we cannot keep.

An ounce of church is worth a pound of police court.

The Sermon on the Mount will lift you out of the valley.

One motorist wrote the pastor: "I started to apply your sayings in my life for the week they were up. It's worked wonders for me."

One woman calls him to criticize, however, if the message isn't cheerful or mentions the devil, as in:

Sleeping saints serve Satan.

The Rev. Mr. Conrad said his own favorite is this sign he posted last June after getting a call from a hospital:

It's a boy!!!

Princess Margaret's Visit Causes Trouble In YWCA

CARDIFF, Wales — (INS) — Princess Margaret's forthcoming visit to a YWCA hostel in Cardiff stirred a ruckus today among its residents.

One of the girls charged angrily that 33 of the 43 girls who live at the hostel will be barred from the building when Margaret tours next Wednesday. She added heatedly that "apart from the chosen ten, the rest of us have been ordered to eat out."

Those barred during the Princess' visit reportedly will be given approximately thirty-five cents apiece for lunch money.

The girls claim they are being squeezed out to make room for local top brass, including civic leaders and prominent social workers.

Precautions also were said to have been taken in case any of the 33 girls are too ill to go out to eat. They have been instructed to stay in their room and lock the door if they feel sick.

Driver Escapes As Rig Explodes At Glen Burnie

GLEN BURNIE, Md. (AP) — A tractor-trailer, loaded with fuel oil, exploded and burned on Ritchie highway early today. The driver escaped from the cab before the trailer erupted in flames.

The driver, George Washington Carson Jr., 32, of Annapolis, told police he first noticed a red glare in his rear-view mirror. He pulled off the road and saw flames coming from the rear wheels of the cab.

He jumped out, he said, and was only a few yards from the truck when he heard a powerful "whumpf."

Flames leaped a hundred feet and engulfed the entire truck. Seven volunteer fire companies sent 15 pieces of apparatus to the scene and poured foam on the blaze.

Heat from the fire was so intense that an overhanging road light above the truck was melted.

Traffic was tied up for more than an hour. The truck was destroyed.

Jury Locked In Verdict On Fire Captain

PARKERSBURG (AP) — A jury deadlock ended trial of Parkersburg Fire Capt. Bernard A. Trippett on a grand larceny charge in circuit court here.

The prosecution did not indicate immediately, after the jury reported its deadlock yesterday, whether it would seek a new trial. Trippett, however, faces two other indictments.

The hung jury came at the end of a five-day trial of Trippett on a charge that he had stolen a $119.95 water heater. Other indictments charge him with theft of four aluminum storm windows valued at $56.60, and of roof gutters valued at about $20.

20 Year Veteran

Trippett, a veteran of 20 years with the Parkersburg department, was among six firemen arrested in the disappearance of merchandise from the Sears, Roebuck and Co. store here, where most of them worked part time.

The fire captain has contended that he received the water heater under a purchase agreement made with Lewis C. Wright, a fireman dismissed from the department after the larceny and other charges were brought.

Continues Work

Trippett has continued with the department, although four of the six firemen arrested were dismissed. Two were placed on probation after guilty pleas. Cases are pending against another two, in addition to the indictments naming Trippett and Wright.

Counsel for Wright moved yesterday that a grand larceny charge against him be dropped in connection with the water heater because Wright had turned state's evidence. Judge Donald F. Black set a hearing on the motion for March 1.

Wright has insisted he stole the water heater at Trippett's request and was to have received about $65 for it, but never did.

Quartet Will Face Action Of Grand Jury

Following a preliminary hearing before Magistrate Donald W. Mason yesterday afternoon four men were ordered held for action of the April grand jury on charges of breaking and entering with intent to steal.

Magistrate Mason released two of the men, Francis George Humbertson, 52 North Mechanic Street, and Herman Alfred Cook Rawlings, under $1,000 bond and committed Jack Winn, about 40, of 315 Frederick Street, and Gerald Burkett, 25, of 409 Decatur Street, to Allegany County Jail in default of bond.

The four defendants were charged with unlawfully breaking and entering Whitacre Esso Service Station, North Mechanic and Bedford streets, on February 15, with intent to steal goods and chattels valued at over $25.

This charge is listed in Article 27, Section 32, of the 1957 code of Maryland and carries a maximum sentence of not more than 10 years.

Magistrate Mason pointed out that trial magistrates cannot impose penitentiary sentences, so he had no authority to try the case, but did hold a preliminary hearing, as requested by the defendants.

Testifying at the hearing were Police Officers James Swann and Royce J. Clayton, who arrested Winn and Burkett at the service station last Saturday night. Detective Lt. James E. Van, and Cook, who took the stand and testified after being advised by Magistrate Mason.

Saying he wanted to tell, Cook testified that Humbertson asked him, when he went off work, to leave the side door of the station unbolted.

He said he did leave the place open February 15 and that Humbertson said he would give him from $15 to $25 depending on how much he got from the job.

The officers testified they caught Winn and Burkett inside the station that night and that Burkett had a pair of tin snips, knife and flashlight, which were hidden when the men saw the officers.

After the preliminary hearing, the magistrate ordered the men held, ruling there was sufficient evidence for holding for action of the grand jury.

Assistant State's Attorney James S. Getty prosecuted the case. Earl E. Manges represented Burkett and Winn and was co-counsel with Edward J. Ryan for Humbertson.

Strike Imminent At Huge Kyger Power Company

GALLIPOLIS, Ohio (AP)—A strike is imminent at the big Kyger Creek Power Plant near here now that union-management negotiations have broken off.

If the strike comes "in a few days," as a union leader warned last night, it probably will touch off walkouts at 15 electric companies in seven north central states.

Negotiations between the Ohio Valley Electric Corp. (OVEC), which operates the plant, and the Utility Workers Union of America (UWUA), broke off last night.

A strike at the Ohio Valley electric plant apparently would trigger walkouts by members of the same union at 15 companies which form Ohio Valley Electric. The sponsoring companies operate in Ohio, Kentucky, Indiana, Pennsylvania, West Virginia, Maryland and Virginia.
